## Wasting time with dancing

DANCING their way out of a dustbin and meeting a waste monster was all part of the fun enjoyed by youngsters at a workshop in Haverhill. The two-day Magical Monsters event at Haverhill Arts Centre was part of the town council's Summer in Haverhill programme, led by Dance East tutors Cathy Bullen and Caroline Fish. The event combined dance and recycled art for six to nine year olds, using rubbish to create artwork in dance routines. The youngsters also received a visit from Suffolk County Council's waste monster, Packasaurus Ex, who travels the county spreading the recycling message to adults and children. Parents and friends were treated to a 20-minute performance piece on stage, with full music and lighting at the end of the two days.

TRIBUTES have been paid to a young motocross fan who died while enjoying the sport he loved.

Andrew Armstrong, 18, died after the motocross bike he was riding on a farm track hit a telegraph pole.

Andrew's father rushed to the scene as doctors battled in vain to save his son's life at Burton End, Haverhill.

The tragedy came four days after Haverhill motorcyclist Kevin Jones, 30, died in a collision with a car at North Stow, near Eleveden, and a week after Braintree motorcyclist Nicholas Williams, 45, became the latest person to die on the A1307, when he was involved in a collision with a van.

■ MISSED . . . Andrew Armstrong.

Andrew's family, of Queensway, Haverhill, issued the following tribute: "Andrew was a larger-than-life character who lived life to the full. After such a tragic accident, the support we have received has been amazing.

"He died doing something he loved, being on his motocross bike.

"Many thanks to all the people who have laid tributes where he died, and especially to the medical staff that day. Andrew will be sadly missed by his family and friends."

Andrew's funeral will be at St Mary's Church, Haverhill, at 1.30pm on Friday, August 24, and then at Risby crematorium at 3pm.

An inquest into his death was opened and adjourned at Bury St Edmunds.

David Rawlings, a member of Haverhill and District Motorcycle Club, said bike riders were the most vulnerable users of the road. He offered his condolences to families of the latest crash victims and said his club encouraged everyone, especially youngsters, to learn as much as possible about road safety.

## Friends reunited at playscheme

YOUNGSTERS at a summer play scheme got a pizza the action when they cooked up some Italian treats in the kitchen. Children at the Haverhill Summer Fun Playscheme got the chance to chomp on the pizzas they had made during a session at the club.

The scheme, which is based at Castle Manor School, has been running for 19 years and has around 300 children on its books. A variety of different activities are organised every day to keep the children occupied, from

puppet making to football and arts and craft sessions.

Heather Polley, deputy co-ordinator, said: "The children all have a fantastic time. The emphasis is on fun and they all make a lot of friends."

"Some of the children don't see each other from one summer to the next so it is always nice for them to be reunited each year – that is really lovely to see."

The club has now finished for the summer but it is hoping to run for longer next year.

## Invitation to veterans

A CELEBRATORY lunch will be held to thank people who helped the war effort.

Haverhill Town Council is holding the event on Sunday, November 11 to acknowledge the contribution made during the Second World War by residents who fought for their country.

Anyone who worked for the fire service, land army and Bevan Boys will also be invited along.

Veterans who are still residents of the town should contact Gordon Mussett, at Haverhill Town Council for more information on (01440) 712 858.

## Garage sale for charity

RESIDENTS of Downs Crescent in Haverhill will be setting out stalls for their fourth annual garage/table top sale on Sunday.

The event will be held from 9am to noon and is supporting Cancer Research UK, for which £165 was raised last year.

# Angry campaigner says dog order 'not enough'

BY Jo Deeks

Email: [editorial@haverhillweeklynews.co.uk](mailto:editorial@haverhillweeklynews.co.uk)

A PENSIONER battling to stop dogs from being walked without leads on Haverhill's recreation ground says a by-law to be introduced this autumn does not go far enough.

Dianne Taylor, 74, has been trying for two years to get a restriction to protect dogs and their walkers after her own dog and several others were attacked on the recreation ground by dogs running loose.

St Edmundsbury Borough Council has now made a Dogs on Leads order which comes into force on October 1 and will operate on the Camps Road site between 9am and 5pm.

But Mrs Taylor, however, believes the ban should not have any time restriction.

She has collected a petition in support of

her campaign and said many older people were too frightened to walk their dogs on the recreation ground. She said: "I think it is absolutely ridiculous."

"The street in the town centre is supposed to be closed to traffic between 10am and 4pm, but no-one takes any notice of it."

"I think the order will be very difficult to enforce and they should have made it one area of the town where dogs have to be on leads all the time."

"There are plenty of other areas in the town where dogs can be let off the lead, but there is nowhere at all that is restricted."

"In places like Bury and Saffron Walden there are parks where you cannot even take dogs at all, so why does Haverhill have to be

different?

"I don't want to antagonise people. I just want somewhere where dogs are controlled. This is the main park in the middle of the town and a lot of people just don't use it."

A borough council spokesman said: "From the responses we received during the consultation period it became clear that the needs of two groups needed to be balanced."

"The Haverhill recreation ground is open land, bounded by roads, near the town centre."

"During the day it is used by children, and people crossing to get to other places."

"The decision to require dogs to be kept on the lead between 9am and 5pm allows all dog walkers to enjoy the space under the conditions that they personally prefer, whether it be with all dogs securely on leads or not, while also taking into account the needs of all the other users."

## Legion honours dedicated poppy people

DEDICATED poppy sellers and organisers who have been supporting the annual appeal for decades have had their achievements recognised by the Royal British Legion. An award ceremony was held at the Ex-Servicemen's Club in Haverhill, and Nick Burkley, head of the Poppy

Appeal in Suffolk, went along to hand over badges and certificates to the long-serving groups and individuals. Awards for 20 years' service went to John Webster, appeal accountant for Haverhill, Rod Swaby, the group's treasurer, as well as the Women's British Legion group and the Co-op in Jubilee Walk.

Awards for 10 years' service were given to North Street Garages and Haverhill Ex-Servicemen's Club. Brian Thomas, president of Haverhill Royal British Legion, also received an award for 15 years of service as the Haverhill Poppy Appeal organiser. Mr Thomas said the latest collection

had raised a record total of £7,498, more than £1,000 above the previous year's appeal. He said: "I thank each and every one of these people who give their time free of charge to help the appeal. It is the generosity of the people of Haverhill that enables us to increase our total every year."

# Town cinema scheme is slammed by critics

A NEW car park to serve a planned multi-million pound cinema complex has opened – but critics have slammed the council for failing to finish the job properly.

St Edmundsbury Borough Council has built a 96-space car park adjacent to the Haverhill Leisure Centre in Ehringshausen Way as part of the first phase of building a five-screen Cineworld cinema.

The cinema complex will have three restaurants and a drive-through fast food outlet.

The car park is now officially open, but critics have blasted the council for not landscaping the area first.

Chris Cullum, ex-Haverhill town councillor, said: "It is just typical of the council that they spend all this money, but they can't even finish a job properly. It looks a mess up there with weeds growing all over the place."

"All they have done is slap some tarmac down and think the job is finished. It would be nice if for once the council did a job with 110 per

Email: [editorial@haverhillweeklynews.co.uk](mailto:editorial@haverhillweeklynews.co.uk)

cent effort."

The cinema development is expected to cost around £9.2 million, and the new car park cost thousands to complete.

Drivers will have to pay 60p for up to four hours and £1.40 for more than four hours.

Mr Cullum added: "The car park should have been completed months ago."

"The people of Haverhill deserve better than this."

But Coun Nigel Atkins, who represents Haverhill on St Edmundsbury Borough Council, welcomed the opening of the car park.

He said: "This development is great news and shows we are making progress with the first phase of the project to build a new multi-screen cinema in Haverhill."

A spokeswoman for the council said the landscaping work will be completed shortly.

## Work set to start on site

BUILDING work on Haverhill's eagerly-awaited multiplex cinema complex, which should be showing the latest blockbusters by next summer, is set to begin next week.

The £9.2 million project will deliver a five-screen cinema, three retail units and a drive-through fast food outlet on land next to the leisure centre in Ehringshausen Way. More than 400 car parking spaces have also been created, along with environmental enhancements to improve the area.

Developer Citygrove has now exchanged contracts with the fast food chain KFC for a drive-through restaurant, as well as with Subway for a shop unit, and Frankie & Benny's and Prezzo are set to lease the remaining two outlets.

Work will begin on Monday after Citygrove, which has been

working with St Edmundsbury Borough Council to make the project a reality, appointed BDB Design Build Ltd to construct the complex. BDB has pledged to keep in contact with the site's neighbours to make sure residents are kept fully informed of progress.

Coun John Griffiths, council leader, said: "I am delighted that construction work is to get under way on this exciting project."

"The people of Haverhill have repeatedly told us they want more leisure and restaurant facilities in the town, and this complex will help to answer that demand."

"It should also attract more visitors into Haverhill and provide another welcome boost for the local economy."

The complex is expected to help create 110 new jobs and should be complete by August 2008.

## Stolen car burned

THE recent spate of vehicles being stolen and left burnt out, as well as ongoing damage caused to vehicles and homes, has continued in Haverhill.

A red Peugeot 106 was stolen from a lay-by at Headland Avenue, Haverhill between 8pm and 10.55pm last Friday and later found burnt out in Norton Road by the boxing club. It contained a coat, wellington boots, a Bosch power drill, paint and brushes, CDs and a Kenwood CD player.

Anyone with information about the incident should call Pc Rebecca Lower at Haverhill Police on (01284) 774 100 or Crimestoppers on 0800 555 111.

## Meet the local team

MEMBERS of the Haverhill North and South Safer Neighbourhood Teams are to hold regular surgeries at their offices at Havebury Housing on Manor Road.

The drop-in sessions will be held every Monday between 10am and noon, and Friday between 2pm and 4pm, for people to meet the teams and discuss any policing issues or concerns they may have.

## Glittering success takes flight

TWO career women turned mums have spun a creative way of making some extra money for Christmas into a thriving business. "Buy Local" supporters Ren Taylor and Lee Frere started their Dragonfly label selling highly individual beaded bags and accessories last October. They stock a wide range of stunning gifts and quality items, many of which are exclusive "one offs".

The duo are happy to bring their shop to the customer and arrange viewings in people's own homes, so that shopaholics can invite their friends and make an evening of it, or try accessories out with their favourite outfit.

The two women are friends and business partners, who both have daughters aged five and sons who are two. Both graduates, Lee studied linguistics in London while Ren studied chemistry in Cambridge. Before having children, Lee was an English teacher and Ren was an analytical chemist. They now work part-time as well as running Dragonfly, Lee teaches and Ren is a finance assistant.

Ren said: "We are hoping, however, that when our sons start school we may have enough clientele and time to do Dragonfly full time and possibly open a shop in Haverhill, as there is nothing similar locally."

She added: "We sell

beaded and sequined evening and day bags, shoes, pashminas, dressing gowns, embroidered silk photograph albums, sequined T-shirts and jewellery, among other things.

"With a lot of our items we will often get only one in a certain style making many of our items exclusive - so you won't see people with the same Dragonfly bag

as you!

"We were both full-time mums and started Dragonfly initially as a way of making some extra money for Christmas. Our first event was the Ladies Night at the Haverhill Arts Centre and we were stunned by the positive response to our products."

Since then the party side of the business has been booming, with

events booking up during the day and in the evening. Hostesses get a complimentary gift, plus 10 per cent of any sales at their party to spend on products, and if guests book a party, a voucher for a free bag worth up to £20.

## Council asks itself about depot plan

A COUNCIL has submitted revised plans to build a new depot on a site off the bypass at Haverhill.

St Edmundsbury Borough Council has

submitted an application to its own development control committee to build a depot facility which would include two buildings, a canopy over a fuel-

ling bay, waste transfer area, an oil tank, access and parking, fencing and security gates, on land at the junction of the A1017 and Homefield Road.

The existing council depot, off the former station site in the town centre, has been sold as part of the Tesco supermarket redevelopment scheme.

# Call for a new look at schools' shake-up

A CALL has been made to rethink plans to close middle schools in Suffolk after MPs raised doubts about the Government's new schools programme.

The Suffolk reorganisation, due to begin this autumn with schools in Haverhill and Lowestoft, is closely linked with the Government financing programme.

Now the House of Commons education select committee has questioned whether Building Schools for the Future (BSF) is the best way to spend £45 billion on new school buildings across the country.

The Suffolk switch from a three-tier to a two-tier education system has faced bitter opposition from parent groups and some teachers – mainly those in middle schools.

Coun Warwick Hirst, former mayor of Newmarket, said: "Frankly Suffolk County Council should have the courage to have a rethink. If they press ahead it will become more like an obsession than a real education issue."

He said the moves to create a unitary council in Ipswich, which would take over education, also raised questions about the future of the county council's plans.

BY John Goode

Email: editorial@haverhillweeklynews.co.uk

The cost of the Suffolk shake-up is set to be between £58 million and £70 million and will involve closing more than 40 middle schools. A further £23 million will be spent on staffing during the change-over period which is set to last up to 10 years.

Coun Jeremy Pembroke, leader of Suffolk County Council, said: "If the Government suddenly pulled the plug on BSF we would be extremely concerned. But this is only part of it."

"To get the full funding from BSF we have to show we have a coherent education system in Suffolk and it could be argued that we don't have that at present with part two-tier and part three-tier."

He said the switch to two tiers would have been made anyway.

The Commons committee has revealed the BSF programme is behind schedule.

It argues the money would be better spent on staff and educational practices than on rebuilding every secondary school.

Barry Sheerman, Labour MP for Huddersfield and chairman of the committee, said the BSF question must be kept under review.

## A touch of stardust at summer school

TALENTED youngsters took to the stage with a star from the touring production of Disney's hugely successful *High School Musical*.

Actor and dancer Alex Warren spent the day putting members of Colette's Entertainment School through their paces.

He was joined by Leanne Day, a ballet teacher, who helped the youngsters improve their dancing techniques.

The day was part of a week-long summer school workshop at the

Leiston Community Centre in Haverhill. The theme of the week was Victims of Fashion and students each made an outfit to model at a fashion show for family and friends.

The fun-packed week was topped off by a special prom where all participants received a certificate for their achievements.

The entertainment school has been running for four years and teaches students, aged from five to 18, ballet, jazz and all about musical theatre.

# Now Karen can fulfil her dream

BY Jo Deeks

Email: editorial@haverhillweeklynews.co.uk

A WOMAN who has combined a demanding job, voluntary work and raising a family with studying at college can now fulfil her lifelong dream of going to university.

Karen Shurety, 40, from Haverhill, has successfully completed the Access to Higher Education (Social Sciences) course at West Suffolk College as a part-time evening class student.

Karen has two sons, aged 21 and 18, the younger one is studying engineering at West Suffolk College.

When she started the Access course, Karen was working full time for Suffolk Youth & Connexions Service, where she is the Unison workplace representative. In February, she changed to part-time hours so she could devote more time to her studies.

Karen will begin studying for a Bachelor of Theology through the Cambridge Theological Federation in September, with one year at The Margaret Beaufort Institute.

She will then matriculate at Cambridge University, where she plans to study at the all-female Lucy Cavendish College for mature students for the remaining two years.

Eventually she may work with Pax Christi, a Catholic group which campaigns for peace between Israel and Palestine.

Karen said: "I haven't made any final decisions yet though, as things change and going to university will open up doors for me."

"I can honestly say that doing the Access course has changed my life and has opened up avenues for me that would otherwise have been shut."

"With the dedication and support from all the staff on the Access course, I am now fulfilling a lifelong dream of going to university."

"I met some truly fantastic, inspirational people on the course and we will all remain friends."

Virginia Geraghty, course director,

■ **ACHIEVEMENT** . . . Karen Shurety, left, receives her certificate from Dr Ann Williams, principal of West Suffolk College. CP.

said: "Karen has been a really committed student despite her busy life. She was part of a very dynamic and happy group. Though they are all going on to do different degrees, they continue to meet regularly."

"That is the nature of the Access to Humanities programme – it's a course for busy people who want a life change but it is also about fun and friendship."

Karen is also a weekend sessional worker for the Suffolk Mediation and Reparation Service and a volunteer for Cambridge CRUSE.

## PICK OF THE PETS

**THE Stour Valley branch of Cats Protection** has a number of cats looking for new homes. Some of the cats arrive as strays, others are unwanted or simply abandoned. Some cats come from loving homes that, due to circumstances, are unable to care for them any longer. When a cat comes in, it is given a complete health check by a vet which includes worming, removing all unsolicited visitors (fleas, earmites, etc)

and dental checks, ensuring that when that special home comes along, it leaves in the best possible health. The welfare of cats is top priority and the branch always visits prospective owners first to make sure of the best possible home. It is the policy of Cats Protection never to put down a healthy animal and it welcomes any donation from new owners. If you can offer a home to any of the cats contact (01440) 730096.

MacTavish is 18 months old. He is a neutered male, very affectionate, but nervous until he gets to know you. He still believes he is a kitten and would probably be too boisterous for very young children, but would be OK to live with a dog or another cat. It would be better if MacTavish went to a rural home, or one with a large garden for him to play in.

Beautiful Emerald is a four-year-old white female. She is a friendly girl who is hoping to find a loving new home very soon.

Phoebe is four months old and part Bengal. She is a lovely little girl looking for her forever home.

## A new dawn for town Scouting

HAVERHILL Scouts were up with the lark to renew their promises at sunrise as part of the celebrations for 100 years of Scouting. Ten leaders and 30 Cubs, Scouts and Explorers from 1st and 2nd Haverhill camped overnight at the Colne Valley Road base to be prepared for the big day. Together they feasted on hot dogs and sang songs round the campfire. But they were up

bright and early to welcome another nine Beaver Scouts in time to renew their Scout promises at 8am adding their voices to a global chorus to celebrate the first camp, at Brownsea Island, by the founder of Scouting Lord Robert Baden Powell. Tom Morgan sounded the Reveille and, in a happy coincidence, the camp also celebrated the ninth birthdays of two of the Cub Scouts.

■ LOOKING FORWARD . . . Cubs, Beavers, Scouts and Explorers – and their leaders – renew their promises. CP.

# Park's Green Flag bid is handed the red card

RANGERS and volunteers left bitterly disappointed by East Town Park's failure to secure Green Flag status now face a month-long wait for a report which will tell them why.

St Edmundsbury Borough Council's park ranger service had been optimistic that the Haverhill park met all the required criteria to achieve the coveted award, which was granted to Nowton Park in Bury St Edmunds last year. Colin Jakes, East Town's head ranger, said he was at a loss to know why the bid had failed.

Colin said: "It is very disappointing and what makes it even worse is that we won't get the report to tell us why until September, which is very frustrating.

BY Jo Deeks

Email: editorial@haverhillweeklynews.co.uk

"We were fairly confident that we would get it and a lot of hard work was put in by our volunteers. We are only a small team and without the help of our volunteers we would not be able to keep the park in as good a condition as it is. It would have been a feather in their cap if we had got it.

"We will just have to wait and see what the reason was and put it right for next year. I know they are very hot on signage, which is quite poor, but we have been waiting to get new signs approved so that we can put them up.

"I am determined we will get it next time, it

would be nice to have it for the town and for our volunteers."

MP Richard Spring, who visited the 45-acre park recently, offered his support for the Green Flag bid. He said: "East Town is an inspiring amenity providing a focus for children and other visitors on the area's natural wildlife.

"There is a whole host of activities going on throughout the year. The park is well cared for and has much to offer local residents."

The Green Flag award is a benchmark for parks and green spaces in England and Wales which aims to promote high quality environmental standards. Winning venues must be judged to offer a welcoming, safe and well maintained environment with the strong involvement of their local communities.

# Showcase for skills at Skate Jam event

BY Jo Deeks

Email: editorial@haverhillweeklynews.co.uk

FLIPS, grinds, scratching and street art will take centre stage at a special event organised to give young people the chance to showcase their talents.

Skate Jam 2007, which takes place in Bury St Edmunds on Sunday, is the first event of its kind in the area. It has been organised by St Edmundsbury Borough Council, with the main sponsors Hardcore Hobbies and the Rehearsal Rooms, to give young people the chance to both show off their skills and try their hand at something new.

During the packed afternoon designed to celebrate urban culture, graffiti artists will be creating new murals, DJs will be spinning discs and a professional dance tutor will be holding break dancing sessions. Meanwhile, on the ramps of the skate park itself, prizes will be given out to skateboarders, inline skaters and BMX riders.

The event is open to 10 to 19-year-olds, and their parents, and will take place between noon and 5pm. If it is success-

ful, St Edmundsbury hopes to hold another Skate Jam next year.

Coun Sara Mildmay-White, portfolio holder for community, said: "This afternoon of activities will give the borough's young people an excellent opportunity to try something new and show off

the talents they already have. We are delighted to be able to host this event which caters for the needs of our younger residents and combines fun with active exercise."

The Skate Jam will take place at the skate park in Olding Road, off Western Way, Bury St Edmunds.

# Scouts' Stour trek challenge

DESPITE blisters and sore tendons an intrepid group of Explorer Scouts and their leaders are celebrating completing a walk along the 60-mile Stour Valley Path within 48 hours. Their challenge took from Friday morning to Sunday night along the route which passes through Clare. The Scouts worked hard to raise sponsorship from the trail to enable them to offer hospitality to Zimbabwean Scouts following the World Scout Jamboree in Essex.

Alan Fairweather, 72, was one of the leaders of the challenge walk. Alan has many years of Scouting experience, both in Britain and Zimbabwe. Alan said: "We did this because of my close association with scouting in Zimbabwe. "I was a Scout leader there for many years before retiring to the UK in

2003. We were asked to help with hospitality after the Centenary Jamboree in Essex because they knew me of old. "We chose the Stour Valley Path for our challenge, as it is very local to us. "The Stour Valley Path passes close to several of

Sudbury District Scout HQs and we have walked parts of the route before." Russ Edwards, assistant Scout leader, said: "We discovered just how beautiful the Stour Valley is. "One particularly memorable moment was seeing the sunset

along the Devils Dyke." Two young Scouts braved bad blisters and sore tendons to complete the walk. Kyle Bendy, 14, one of them, said: "This is something I've never done before. The longest I've done before is six miles. This was a real challenge.

"It was a new experience walking at night time. In one place hedges on both sides had created a tunnel effect. It was very exciting." The Stour Valley Path follows the valley of the River Stour from Newmarket to its estuary at Cattawade.

# Employers urged to have final say

THE deadline is running out for Suffolk employers to give their input on what courses they would like to see offered at the county's first university, which is due to enrol its first students in September.

The CREATE (Centre for Research in Educational Applications of Telematics) research centre at University Campus Suffolk has been running a survey of employers' views for the last six weeks, giving an important

BY Jo Deeks

Email: editorial@haverhillweeklynews.co.uk

opportunity for businesses to share information about economic growth and skills requirements.

The university will have its main waterfront campus in Ipswich, with satellite centres around the county.

Will Thomas, research officer, said: "It is really important that we are able to represent the views of as many employers as possible.

"We have been really pleased with the response so far but we

would love to hear from more businesses so that our report can really help to make a difference."

CREATE has been commissioned by the Learning and Skills Council and the Haven Gateway Partnership to develop a model to help predict the skills needed by employers in the Haven Gateway region over the next eight to 10 years.

Firms wishing to take part in the survey can do so by visiting the [www.haven-gateway.org](http://www.haven-gateway.org) website and clicking on the link there.

The survey will close at 5pm tomorrow.

# Appeal for new volunteers

BY Jo Deeks

Email: [editorial@haverhillweeklynews.co.uk](mailto:editorial@haverhillweeklynews.co.uk)

KIND-HEARTED volunteers are wanted to help make a difference to people's lives in Haverhill.

Helpers are needed to support a variety of schemes, including the new Shopmobility project that has been launched this summer.

The scheme loans electric scooters, powered chairs and manual wheelchairs to people who have difficulty walking around the town and shops, and the volunteers will be trained to show them how to use the scooters.

Meanwhile the Three Counties Transport partnership is looking for volunteer drivers and passenger assistants to help with its transport scheme, which runs daily, bringing people into the town for shopping and appointments.

Volunteers are also wanted to help disabled and elderly residents with their gardens and to join a befriending scheme, visiting elderly people or families who need support.

All volunteers are offered a variety of free training, including an accredited basic first aid course and lessons on listening skills, therapeutic hand massage, and sign language.

All those interested in helping out should go to the Haverhill Volunteer Centre's open morning at the Borough Council offices on Friday, August 24, between 10am-1pm. Alternatively call (01440) 708 444.

■ POSITIVE INFLUENCE . . . some of the young people taking part in the Teenage Kicks project.

CP

## Youngsters enjoy Teenage Kicks

FREE football and dance sessions have helped stop teenagers at Haverhill getting bored and into mischief during their summer holiday.

More than 60 youngsters aged between 13 and 19 years old have been taking part in the new activity scheme which offers weekly free football and street dance sessions. The

Suffolk Positive Futures Teenage Kicks project has been supported by a £2,300 grant from Havebury Housing Partnership's Community Investment Fund. It is part of a national scheme supported by crime prevention charity Crime Concern, which aims to provide a positive influence in the lives of

young people.

The dance element of the programme has been funded by a grant from Havebury's Community Investment Fund. The football sessions have been financed by Haverhill Town Council and the Suffolk Crime and Disorder Reduction Partnership. Paul Knight, project worker for Suffolk Positive

Futures, said: "Havebury's support has helped us run the Teenage Kicks programme in Haverhill for a second year running. The scheme aims to provide a positive influence in the lives of young people, especially on Friday evenings, which have been identified as hot spots for anti-social behaviour in the town."

# Firm friends set for glory in race

SPONSORS' teams are getting fired up to represent their firms at this summer's Chariots of Fire charity race in Cambridge.

Staff from Cambridge-based law firm Hewitsons and leading business and financial advisors Grant Thornton UK LLP, who run the popular fundraising event, have been donning shorts, trainers and T-shirts to get in some practice.

Last year nearly 2,500 runners took part

in the relay race and the sponsors are swelling the team ranks once again this year in the hope of raising pots of money for the 2007 recipient charity, the Arthur Rank Hospice at Home service.

Matthew Neave, team manager for one of the Hewitsons teams, said: "I am really looking forward to Chariots of Fire this year as I missed it last year. We have a pretty strong team so we hope to get around in a half-decent time and raise lots of money for a great cause. There will be four teams entering

this year from Hewitsons, which will encourage some friendly rivalry in the firm."

Laragh Jeanroy, who is entering an all-female team for Grant Thornton UK LLP, said: "We are really excited about this year's race. I have run in it for a number of years and I am keen to encourage as many people as possible to join in, either as volunteers or running."

"I am particularly impressed that this is the second year I have managed to pull together an all-female team and we have set ourselves the challenge of improving our ranking from last year. "The atmosphere on the day is fantastic and gives you a real buzz – it is a wonderful day out for all the family."

The event is supported by our sister paper, the *Cambridge Evening News*, whose staff intend to participate as well.

Editor Murray Morse said: "Arthur Rank's

Hospice at Home service is one that our readers have given marvellous backing to in recent months, and we're delighted that it is also being supported by this year's Chariots of Fire. The race is now an institution in Cambridge, and we're very proud to be associated with it."

The event recreates the famous race from the film *Chariots of Fire*, inspired by the winning British Olympic team of 1924.

It takes place on September 23 in the city centre, with teams of six runners following a route that takes in three Cambridge colleges, King's, Clare and Trinity.

Runners are rewarded with a variety of trophies in different categories – the People's Cup goes to the team which provides the most creative entertainment for spectators, and The Sir Arthur Marshall Trophy goes to the fastest overall team.

## Steam, smoke and pipes at show

GIANT steam engines, a top band and lots of fun with wheelbarrows were found at this year's Thurlow and Haverhill Steam and Country Show.

The third annual show took place on Saturday, August 4, and Sunday, August 5. Crowds gathered at Horseheath Racecourse to welcome back many familiar exhibits, and see in some new ones for this year.

In all there were 25 full-sized steam engines, many of which demonstrated the

work they carried out in years gone by, as well as a range of vintage cars, commercial vehicles, motorcycles, tractors, stationary engines, models and fairground organs. Visitors were amused by the Red Barrows wheelbarrow display team, which raises money for breast cancer research, on Saturday, and the Glenmoriston Pipe Band performed on Sunday.

All money raised from the event goes to local charities and good causes.

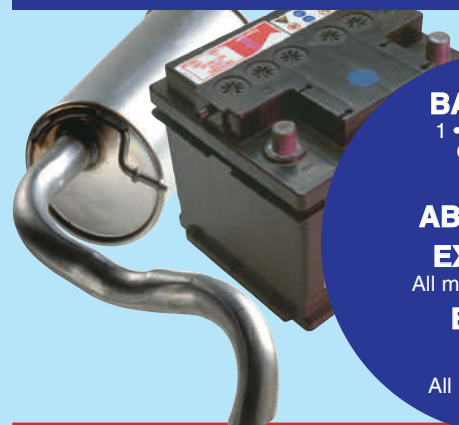

■ **CONVOY** . . . above, vehicles large and small graced the event. Left, a parade of tractors led by Graham Howe on a Fendt.

## Orchestra plays its final concert

HAVERHILL Sinfonia have played their last concert as an amateur-based orchestra after 21 years.

From next season a new, fully professional orchestra known as the Arnold Sinfonia will take its place and will vary in size according to the required programme. Arnold Sinfonia is named in honour of the

great English composer, Sir Malcolm Arnold, who was Composer patron of Haverhill Sinfonia for 10 years from 1996 until his death.

Sir Malcolm's music is a wonderfully inspiring legacy of sound and emotion which will captivate and stimulate far into the future. In addition to

performing music by Sir Malcolm, the Arnold Sinfonia aims to perform new works, neglected repertoire and British music, alongside standard repertoire, and will echo Sir Malcolm's sentiment that everyone enjoys music.

The coming of a resident professional orchestra will be a first

for Haverhill and its members are hoping for plenty of support from the town.

Kevin Hill, who has conducted all of Haverhill Sinfonia's 90 concerts, was presented at the end of the night with a wooden case with two batons and a music voucher for £650, given by music lovers.

## Tribute bands in free summer music nights

TRIBUTE bands are included in this year's "Summer in Haverhill" programme.

Haverhill Town Council's programme of events kicked off with the Big Bash on the recreation ground last weekend, along with the Round Table's 10-5-1 fun run.

The Summer Saturdays in Haverhill Market Square have been renamed the Great Big Tribute Nights.

The first on Saturday will see tributes to Queen (King of Queens), Abba (Abba Max Girls) and Elton John (Dave Kinghorn).

The second night on Saturday, August 25, has The Bootleg Blues Brothers and top tribute band Take This playing all the hits of the biggest band around Take That. Both nights are free to attend.

Sundays are the day to hear free music on the Millennium Bandstand on the recreation ground.

The line up of bands includes Caxton Swing, featuring Louise Hobbs, on Sunday at 2.30pm, and Hadstock Silver Band at 2.30pm on Sunday, August 19.

Children's theatre and workshops at Haverhill Arts Centre includes The Magnificent

Flying Machine Garlic Theatre puppet show for children aged four and above at 11am on Thursday, August 30.

Haverhill Town Council arts and leisure manager Nick Keeble said: "Once again Haverhill Town Council are promoting a wide-ranging programme of events for all the family."

"It should be another super summer in Haverhill."

The Box Office and information line for Summer in Haverhill 2007 is at Haverhill Arts Centre on (01440) 714140 or full details are on a leaflet available from the Arts Centre, Haverhill library, leisure centre and other outlets.

# Show homes are ready for viewing

## End-of-terrace home with double glazing

THIS well presented end-of-terrace home with double glazing is situated in Abington Place, Haverhill, and is on the market for £139,950.

The accommodation includes an entrance hall, cloakroom, lounge, dining room, kitchen, three bedrooms and a bathroom, and outside there are gardens.

Viewing is by arrangement through Daniel James Estate Agents on (01440) 709060.

ABBEY Homes and Cheffins are launching the show homes at Barnaby Way from 11am on Saturday.

Until now, buyers have had to rely on artist's impressions to get a feel for the homes at the new development off Chalkstone Way in Haverhill, but that hasn't stopped the reservations pouring in.

Jamie Warner of Cheffins said: "We're delighted with the uptake on Barnaby Way so far. We knew it would be popular as it is such a pleasantly positioned site and Abbey has a great reputation locally, but even we were surprised to take so many off-plan reservations without buyers being able to view anything."

"Now the show homes are opening, people will be able to see the style and finish they can expect from Abbey, and choose a new home that suits them."

Various plots are available, from apartments to five-bedroom detached houses, and prices range from £139,995 to £249,995. There is also a 70 per cent shared equity scheme, enabling qualifying persons to buy a two-bedroom, two-bathroom apartment with parking for less than £100,000.

## Green code for emissions is unveiled

CAR BUYERS will be able to see just how green their new purchase is thanks to a new environmental ranking system launched by the Government.

It is a simple and clear system that is very similar to the colour coded white goods efficiency set-up seen on fridges and washing machines.

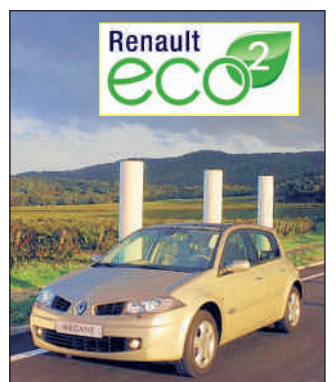

Compiled in association with *What Car?* magazine, the scheme enables consumers to check the lowest carbon dioxide (CO2) emitting models on a Government website.

Launching the scheme, Transport Minister Jim Fitzpatrick said: "Climate change affects everyone and everyone can make a contribution to tackling it. By choosing the car with the most fuel efficient engine in its class, drivers could reduce their engine CO2 emissions by 24 per cent and potentially save a quarter on fuel costs. So the message is simple – the car you choose can help reduce your impact on the environment, and help save money."

*What Car?* editor Steve Fowler said: "These car rankings are exactly what consumers need to make an informed choice about the type of car to buy in order to minimise their fuel consumption, save money and help tackle climate change."

"Car buyers are making increasingly difficult choices about the cars they buy and these rankings will help them to include environmental factors when making that vital decision."

The "Best on CO2" rankings were developed using emissions data from

■ THE MÉGANE 1.5DCI . . . one of 18 models included in Renault's just-introduced eco2 'whole life' label.

the Government's Vehicle Certification Agency, which is responsible for conducting the official tests to determine CO2 emissions from cars.

For the purposes of the rankings and ease of understanding vehicles have been put into 14 categories from superminis to performance cars.

Visit the site at [www.dft.gov.uk/actonco2](http://www.dft.gov.uk/actonco2) for the guide and more data on vehicle emissions, money saving tips and news.

Meanwhile Cambridge Renault dealership Wests has introduced a campaign called eco2 for its most environmentally-friendly models, which takes into account the whole life cycle of the car, from design and manufacture, through to its eventual recycling.

"With the introduction of the eco2 label in our showroom, we have a guide that can help customers make an informed decision about their next purchase," said Sam Horncastle, director at Wests of Cambridge. "We're introducing more information about green motoring in the dealership, and our staff can offer advice to individual motorists on choosing a greener model."

There are already 18

models that qualify for the eco2 standard. The choice includes 13 versions of the New Clio and Modus with petrol and diesel engines, and models with the Quickshift5 transmission system.

There are also larger cars that qualify for eco2 status, including versions of the Scénic MPV and even the Mégane Coupé-Cabriolet.

"As well as having good environmental credentials, the cars we offer – particularly those that fulfil the eco2 criteria – are affordable, so motorists don't have to pay a premium to go green," added Sam.

# MOTORING

■ MICHELIN'S 2008 ROAD MAP ... scenic routes description makes it far more useful than satnav!

## Drivers map-reading skills 'lost with satnav'

MORE than a third of motorists cannot read a basic road map, a survey out this week showed.

And more than four in five fail to recognise that blue-coloured roads on maps signify motorways, the poll from esure car insurance found.

Based on responses from 1,000 UK drivers, the research also revealed that 16 per cent no longer keep a map in their car.

More than three in five have out-of-date maps, with about the same number saying they could

not live without their sat-nav system.

But 50 per cent reckon their satnav drives them mad at least once a month.

The survey also showed that only one per cent of those polled would qualify for a Cub Scout map-reader badge.

Scottish drivers are the poorest at recognising basic road symbols on maps, with south east England motorists the best.

Men claimed to be better at reading maps than women,

although the survey results showed fairly equal skills between the sexes.

Colin Batabyal, director of underwriting and business development at esure, said: "It's pretty embarrassing that the majority of Cub Scouts have better map-reading skills than the majority of the adult population."

"This could potentially lead to dangerous scenarios where people are relying solely on technology which can break down."

ROAD TRAFFIC REGULATION ACT 1984 – SECTION 14(1)(a)

THE M11 MOTORWAY (JUNCTIONS 9 – 10, GREAT CHESTERFORD TO DUXFORD, ESSEX AND CAMBRIDGESHIRE) (TEMPORARY RESTRICTION AND PROHIBITION OF TRAFFIC) ORDER 200

NOTICE IS HEREBY GIVEN that the Secretary of State for Transport intends to make an Order on the M11 Motorway in the Counties of Essex and Cambridgeshire, to allow for resurfacing works to be carried out in safety.

It is expected that the works would take place overnight (8pm Mondays to Thursdays and Saturdays and 9pm Fridays and Sundays, finishing at 6am the following mornings) starting on, or after, Monday 10 September 2007, and lasting for approximately 10 weeks. The Order would come into force on 3 September 2007 and have a maximum duration of eighteen months.

The effect of the Order would be to –

(a) impose a 50 miles per hour speed restriction on the M11 -

(i) northbound carriageway between a point 2 kilometres south of its junction with the exit slip road at Junction 9 to its junction with the entry slip road at Junction 10; and

(ii) southbound carriageway between a point 2 kilometres north of its junction with the exit slip road at Junction 10 to a point 0.4 kilometres south of the exit slip road underbridge at Junction 9;

(b) close the M11 -

(i) northbound carriageway between its junctions with the exit slip road at Junction 9 and the entry slip road at Junction 10;

(ii) southbound carriageway between its junctions with the exit slip road at Junction 10 and the entry slip road at Junction 9; and

(iii) southbound entry slip road at Junction 10.

During the carriageway closures, northbound traffic would be diverted to exit the M11 at Junction 9a, then travel northbound on the A1301 and westbound on the A505 to rejoin the M11 at Junction 10. Southbound vehicles vice versa.

The temporary mandatory speed limit (which would not apply to emergency service vehicles), closures (which would not apply to emergency service, Highways Agency Traffic Officer or works vehicles) and diversion routes would be clearly signposted throughout the works.

## CRICKET ROUND-UP

# Horseheath's 20/20 vision ends in defeat

HORSEHEATH were beaten by Balsham in the final of the inaugural *Cambridge Evening News* 20/20 Cup.

Watched by a healthy crowd at Clare College Sports Ground, Horseheath set their CCA Senior League Division Two opponents 150 for 6.

Captain Gary Ellis (53) and Dan Goldsmith (50) led the way with an opening stand of 88, before Barnes pegged them back with 3 for 22. Balsham skipper Tom Daniels picked up 2 for 22.

But, John Barnes and Luke Stanley ensured the target was not enough, coming together at the fall of the first wicket on 30 and seeing the job through with a beautifully-paced reply, which relied on a combination of power, placement and positive running.

Barnes finished unbeaten on 59, while Stanley was on 63 in a partnership of 121 as Balsham crossed the finish line with an over to spare.

"I can't complain," said Ellis. "I thought we put in a good performance and it was a good game."

"Those two are quality players and we couldn't match that. They batted well."

Barnes had early hit an unbeaten 83 in their semi-final against Madingley.

Stanley contributed 66 to their partnership as Balsham totalled 169 for 3.

Dave Hadaway stuck at his task with 4 for 21 for Madingley.

In reply, the Division Three side were dismissed for 97 in the 18th over, James Davies

making 32. There were two wickets each for Daniels, Jack Squire and Ken Saunders.

Division One Horseheath saw off Junior League Division 1N Littleport in the other semi-final after putting up 169 for 6 (Ellis 38, Robbie Ketteridge 41 not out).

Terry Foster took 2 for 31 and he added 40 to his day's work in Littleport's reply. Patrick Frost chipped in a stubborn unbeaten 39, but Littleport were stopped short on 134 for 7.

Robbie Ketteridge claimed 3 for 20 and Stuart Ketteridge 2 for 29.

## Haverhill shaken by lowly opposition

LEADERS Haverhill suffered a setback when they were beaten by a single wicket at second-bottom Dunmow in Division Three of the Marshall Hatchick Two Counties Championship on Saturday.

Rob Sullivan's men batted first and put up 213 for 4, but saw their opponents reach 214 with a wicket to spare to inflict their fifth league defeat.

■ **WESTON COLVILLE** found the batting line-up of Fordham too hard to break down as they lost out by nine wickets in Division Two of the Tucker Gardner Cambs and Hunts Premier League.

Batting first, Colville were dismissed for 139, a total not high enough to trouble Fordham, who hit back with 140 for 1.

■ **HORSEHEATH** recorded a 17-run victory in their CCA Senior

League, Division One match at Stapleford, thanks in no small part to Robbie Ketteridge, struck 80 to boost their total.

Gary Ellis' men scored a respectable 204 all out after winning the toss, with Alan Ketteridge (54) also reaching his half-century. James Hayden-Smith was the best of the Stapleford bowlers with 4 for 49.

Martin Giles then claimed 4 for 43 and received plenty of backing from Stuart Ketteridge (3 for 20) and Ellis (3 for 34) to dismiss Stapleford for 187.

Julian Small (44) and Ben Rayner (40) were the top-scorers for the home side, who slipped deeper into relegation trouble.

A pleased skipper Ellis said: "We've had a few matches rained off and a few have not gone our way, so it was nice to get back on track."

## YOUTH FOOTBALL

## Wratting are on the ball for United

IT HAS been a busy time for members of the West Wratting Under-11 squad. After a visit to Portman Road as guests of Ipswich Town to see them win 2-0 against Greek side Panathinaikos, they took the short trip along to Cambridge United where they were ballboys for the U's in their pre-season friendly against Leicester City at the Abbey Stadium. The lads all experienced at least one retrieval of the ball during the warm-

ups and main match and thoroughly enjoyed the evening, although their hosts went down 1-0 to the Championship side.

## Gunners hit six of the best

GRAMPIAN'S Josh Matthewson started in great style, having three shots saved in the first five minutes.

Mitchell Forshaw, in his new midfield role, put Matthewson through again and he fired past the advancing keeper.

A minute later Jamie Lingard fired a 20-yard rocket in off the post.

Linton were pinned in their own half for most of the first half and, on the rare occasions they managed to break through midfield, they came up against the formidable back pairing of Jason Moore and George Mustoe.

Gunners introduced their two new signings, Bailey Cassidy and Jack Ferguson.

Ferguson began to find his range quickly forcing the Linton keeper

into save after save, before shooting into the bottom left corner.

The second half saw Linton getting stronger, hitting a post and forcing Lewis Knightly to brilliantly save a stinging shot.

Another shot by Ferguson was saved, only for Lewis Whiting to smash in the loose ball.

Linton got a consolation goal before Lingard smashed in another rocket off the post and keeper.

Forshaw capped a marvellous display by sending in man-of-the-match Ferguson, who fired into the top corner for his brace on his debut.

# Rovers get off to perfect start

HAVERHILL Rovers are having no problems adjusting to life in the Ridgeons League, Premier Division, after notching up victories in their opening two fixtures of the campaign.

Steve Taylor's newly-promoted side opened their account with a 3-1 win over Wisbech at Hamlet Croft on Saturday and followed it up with a convincing

4-1 victory at Stanway Rovers on Wednesday.

Against Wisbech, Marc Abbott put Haverhill ahead after 11 minutes and Richard Heller doubled the lead seven minutes later with an individual goal.

Wisbech halved the deficit with a header when Rovers seemed to switch off midway through the second half.

But Rovers' skipper Marcus Hunt tucked away a penalty five minutes from time, awarded for a foul on Heller, to put the

finishing touches to a good day for the hosts.

Adam Salmons got Rovers up and running at Stanway with the opener from 20 yards on 19 minutes.

Then Dan Pilcher found the target with a half-volley into the bottom corner a minute before the break.

The win was beyond doubt when Haverhill hit a third on 75 minutes.

After good build-up work, Abbott fed Pilcher, who

rode a Stanway challenge to score.

Shaun Banham latched on to a long goal-kick from Arron Benstead in the last minute for the fourth, but Joe Harvey gave away a penalty in stoppage time to give Stanway a consolation goal.

■ Haverhill will be looking to start to emulate their FA Cup exploits of last season when they travel to United Counties League Bourne Town on Saturday for an extra preliminary round tie.

# Quinney is more than happy to be below par

DAVID Quinney paced himself before pouncing at the right time to top the leaderboard and win the Haverhill Club Championship by nine shots.

As the only player to produce sub-par rounds on both days, Quinney, who trailed frontrunner Gerry Scott by one shot

overnight, showed his class to finish with 143 ahead of Andrew Bareham, who also finished runner-up last year. Scott slipped back into fourth, while Oliver Cracknell came in third. In the Tatum Cup for 10-18 handicappers, Lee

Chandler successfully defended the trophy he won a year earlier. His 164 over 36 holes was one shot too good for Dave Whiting. Haverhill ladies managed to beat Menzies at Coupals Road by 2½ games to 1½.

The senior men lost the corresponding fixture 6½-1½. The Wilding Junior Foursomes Cup went to a combination of Jack Warwick and Jack Marsh with 44 stableford points. Pat Kennedy won the Ladies' Wednesday August Medal, Silver Division with 73 points, from Wendy Wilderspin and Denise

Walker after both scored 75. The Bronze Division prize was taken by Anna Fairhead with 69. Saturday honours went to Denise Walker with 70 points in the Silver Division ahead of Kathy Bowman on 71 and Mary Sail with 78, while Lyn Fish won the Bronze Division with 68.
